SUMMARY

As an IT student, I'm passionate about learning, problem-solving, and building meaningful solutions. I am driven by hard work and self-improvement. My curiosity keeps me exploring different technologies. I thrive on challenges, whether in developing projects, analyzing data, or mastering new concepts. Always eager to grow, I believe in pushing boundaries and using technology to create a real impact.

EDUCATION

University of Sindh, Jamshoro

Bachelor's Degree in Information Technology
2023 - 2026

St Mary's Convent Girls High School

FSc (Pre-Medical)
